RESPONSE TO RESTRICTION REQUIREMENT

• Assistant Commissioner for Patents

Washington, DC 20231

Sir:

Applicant hereby responds to the Examiner's election requirement in the Office Action mailed October 2, 2002 in the above-referenced application. Enclosed herewith is a petition for a three-month extension of time and the fee therefor, thereby making this a timely response. The Commissioner is authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 50-2319 (Our Order No. A-61008-1/RFT/TAL).

In response to the Examiner's election requirement, Applicant provisionally elects the species represented by SEQ ID NO. 3 for initial prosecution on the merits. In the event that the Examiner finds said species patentable over the art of record, Applicant requests that the Examiner then consider the patentability of the broader genus represented by current Claim 13.
